

Fingringhoe Range Buoys Repositioning River Colne

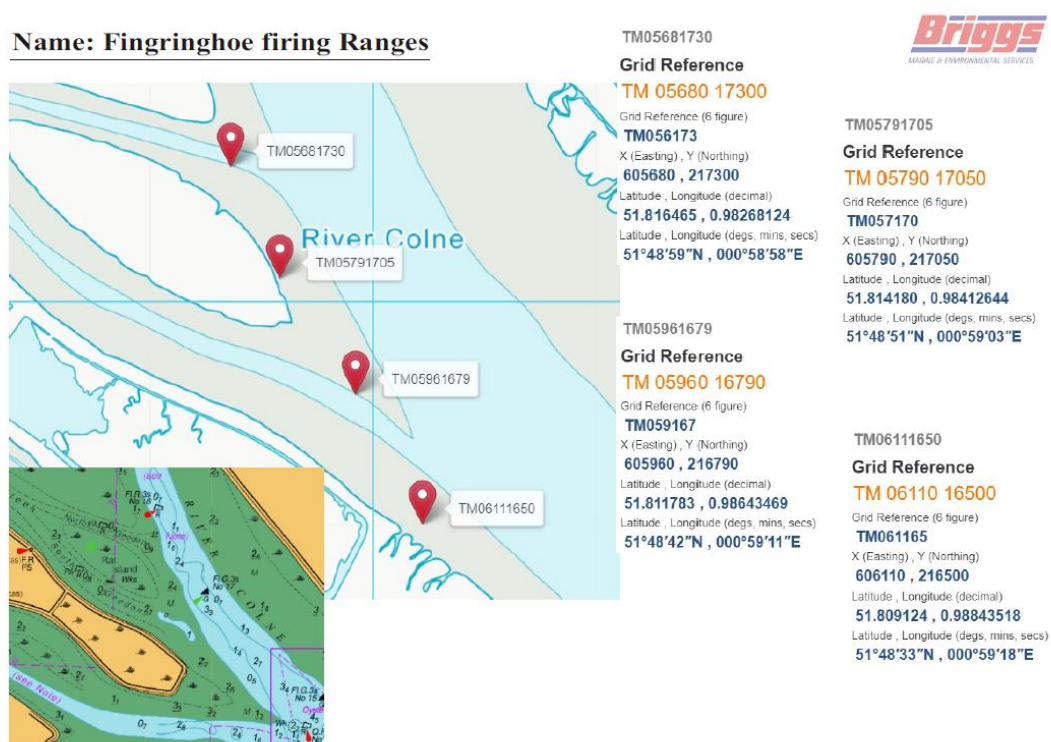

NOTICE TO MARINERS: 15th February 2021

Briggs Marine Contractors are planning to reposition 4 x range marking buoys situated around the perimeter of the Fingringhoe firing range to new locations marking the extremities of the range. Works are scheduled to be carried out Monday 15th February 2021, weather permitting.

The coordinates and chart location of the buoys are provided in Figure 1.

Briggs Marine will be utilizing the vessel MV Liftmoor, operated by Whitstable Marine Services. Mobilising from the Port of Sheerness (Figure 4).
