

LOCAL NOTICE TO MARINERS

Flow Gauging

RIVER COLNE, ESSEX

23rd January – 24th January 2023

Exo Environmental Ltd has scheduled to gauge the flow of the river Colne on the 23rd and 24th January 2023.

The two sites will be marked by a yellow or orange guard buoy. The coordinates of sites are provided in Table 1, a satellite map in figure 1 and the chart locations are shown in Figure 2.

Table 1:

SITE	LAT	LONG	Easting	Northing
A King Edward Quay	51.873825	0.93742473	602304	223551
2 Fieldgate Quay	51.879147	0.93014181	601779	224123
